

The Queenslander Pictorial.

A PAPUAN DANDY.

IN THE ADMIRALTY GROUP-II

Chipping out the (edges) from tree trunk

Washing coconuts

Bagging coconuts

Preparing coconuts for eating

Drums, or native drums

Women making coconut oil

Migratory Tundra Great Pelicans

Natural History of Cape York.

A Pelican

The Carpenter Bird.

A nocturnal bird which makes a noise like the sound of intermittent hammering on hard wood.

A Butterfly
Somewhat similar to one known to
Australian naturalists.

The skinning of an Alligator.

A Black and yellow
water iguana.

Photos by F. Birtles

Sandalwood near Oronoko. Typical coast country.

A sandalwood cutter's home in the bush.

Sandalwood ready for the pack-trail to the coast.

Good specimens of sandalwood trees.

A carrier of sandalwood. Note the shoulder straps, especially the long loop on the right. This is enabled by means of "looping" the log heavy places.

SANDALWOOD GETTING - A NORTHERN INDUSTRY.

F. B. Jones photo.

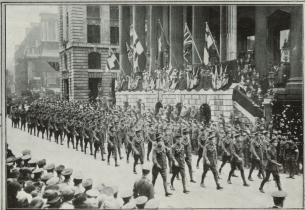

Pack train en route to the coast.

THE GUARDS MARCH THROUGH LONDON

The scene in the Mall as the Guards 6,000 strong left Buckingham Palace and passed the laurelled pillars which glorified those of their valor and fallen comrades.

The procession passing the Mansion House where the Lord Mayor took the salute.

Central News photo.

IN YORK PENINSULA SEE PAGE 20

Typical
Peninsula
jungle.

A wet
season
camp.

AROUND THE STATE
